Main details. Tom and Huck went to the graveyard with a dead cat because they believed that it could cure warts. They saw Injun Joe, Muff Potter and Doctor Robinson arrive sometime not long after midnight. Injun Joe and Muff Potter dug up the body of Hoss Williams for the doctor. The doctor and Injun Joe had an argument. The doctor hit Injun Joe. Muff attacked the doctor and they both fell to the ground. Joe picked up Muff's knife. The doctor hit Muff with a piece of wood. While he was doing this, Injun Joe stabbed the doctor.
